Information Disclosure Statement Pursuant to 37 CFR §§ 1.56 and 1.97(b)(3)

Sir:

In accordance with applicants' duty of disclosure under 37 C.F.R. § 1.56 and the provisions of 37 C.F.R. §§ 1.97 and 1.98, it is respectfully requested that the references listed on the enclosed Form PTO-1449 in accordance with the provisions

Application No. 09/744,169

of 37 C.F.R. § 1.98 be considered and made of record with respect to the above-referenced U.S. Patent Application. With the exception of U.S. Patent No. 4,085,225 which was cited in the specification, the references listed were cited on the International Search Report for the corresponding Patent Cooperation Treaty International Application No. PCT/IE00/00060.

Under Section 609 of the Manual of Patent Examining Procedure (M.P.E.P), the Examiner should consider the references cited in the International Search Report and indicate by a statement in the first Office Action that the references have been considered.

Applicants submit respectfully that none of the disclosed documents anticipate the invention and there is no reasonable combination of the disclosed documents that renders the invention obvious.

Submission of the present Information Disclosure Statement should not be construed as a representation that a search has been made, or as an admission that the cited references are legally available prior art or that the same are material to patentability.

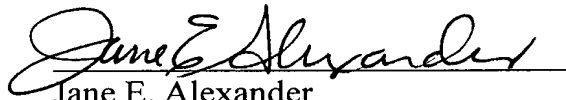

The Examiner is requested respectfully to initial, date and return the enclosed copy of PTO Form 1449 upon consideration of the cited references. Copies of the references have already been provided to the Examiner by a Communication filed on January 16, 2003. If copies of the references were not received, the Examiner is invited to contact the undersigned so that duplicate copies can be promptly forwarded.
